The purpose of the tournament is not only to enjoy a day on the golf course and to network with other commercial real estate professionals, but also to support the CREW Boston Educational Foundation, Inc.

The CREW Boston Educational Foundation, established in 2009 as a 501(c)(3) charitable foundation, is a fund that will support the CREW Boston Educational Foundation Scholarship. The scholarship is awarded to any female student in good standing currently enrolled as a sophomore, junior, or senior year or a graduate program at an accredited college or university in New England. The student must demonstrate an interest in pursuing a career in the commercial real estate industry through her course studies, internships in a commercial real estate firm and/or other experiences. All proceeds from the CREW Boston Annual Charity Golf Tournament will benefit the foundation to support its mission.
