The CREW Boston Awards Program began in 1996 with the Networking Award. Two years later, the Awards Program was expanded to also include recognition for those individuals who best embody the spirit and principles of CREW Boston on a personal level (the Esprit de Coeur Award), recognition for CREW Boston entrepreneurs (the Entrepreneur Award), recognition for those who are a success within their firm and/or area of expertise (the Professional Service Award), and recognition for those who work in the public or non-profit sectors (the Suzanne King Public Service Award). Each year these individual awards are presented to the extent there are sufficient qualified candidates submitted and approved by the Awards Committee.

This year the Awards Reception, a special celebration of CREW Boston achievers, will be held on April 26, 2017 at the Fairmont Copley Plaza. The awards will be presented at the reception.

NOMINATION PROCEDURE

Any CREW Boston member may submit one or more nomination(s) for the Networking Award, the Esprit de Coeur Award, the Entrepreneur Award, the Professional Service Award, and the Suzanne King Public Service Award. Nominations must be submitted on the proper Nomination Submission Form available from the CREW Boston website. Members are encouraged to nominate themselves as well as other CREW Boston members.

While past and present officers and Board of Directors are not excluded from this award, holding such a position is not the key element that will be considered.

It would be very helpful if photographs of the principal people mentioned in your nomination accompany your Nomination Submission Form if the nominees' photographs are not already included in their CREWBiz profile.

Selection Procedure & Judging Criteria

The CREW Boston Achievement Awards Committee will review all submissions and select the winners in each category. Winners will be notified in December.

Nominations for all awards will be judged on the extent to which they demonstrate the purpose for which each award was created. Please refer to the Criteria for Submission included in this brochure for each specific award.
