

Megan Fanale

VP of Operations, Abilitie

Abilitie Lead Facilitator

Experience

As the VP of Operations at Abilitie, an Enspire company, Megan manages the design and execution of Abilitie's award-winning business simulations, Executive Challenge™, Business Challenge™, and Management Challenge™ as well as the operations of the company. Megan has extensive experience crafting and facilitating business and leadership development programs for a variety of corporate clients, including FedEx, Eli Lilly, and Pep Boys. She is adept at working with global audiences frequently delivering blended learning experiences to individuals from around the world. She is responsible for a portfolio of over 50 client engagements.

Megan graduated from the University of Georgia with a degree in Journalism. Before leading Abilitie's business simulations division, Megan served as a Regional Sales Manager at Whirlpool Corporation, leading a team of 20 across seven states and earning the distinguished Winners Circle award for National Manager of the Year for North America.

Megan has served as Lead Facilitator for Management Challenge and both Team and Lead Facilitator for Executive Challenge programs around the world. She has worked with Fortune 500 companies and top-tier universities and business schools in the delivery of simulation-based solutions to increase performance and leadership effectiveness. Megan challenges participants' current thinking about leadership, cross-functional communication, change management, strategy, and execution.
